## **REQUIRED ENROLLMENT FORMS**

The following **required forms** need to be completed, signed and returned to Seaside before a student begins school:

**STUDENT INFORMATION PACKET:** It is essential that our student files contain complete and up to date information. Please take a few minutes to carefully read, fill out completely, sign and date all pages as designated. This Information Packet needs to be completed yearly.

**PHYSICIAN'S HEALTH FORM:** It is a state requirement that we have a copy of a current health form for your child on file. All health forms expire one year from the date they are issued. Please be sure that the health form from your child's pediatrician includes the date of your child's last physical examination as well as the dates for lead screening & all immunizations (including MMR, Hib, HepB, etc.).

**SEASIDE TUITION POLICY:** Please be sure to carefully read this policy, sign one copy and return it to Seaside. The second copy is for your records.

**SEASIDE'S AUTHORIZATION & CONSENT CARD:** Please be sure to complete this card front and back. These cards are used in our emergency packets.
